ASSIGNMENT

Whereas I/WE, the below-named inventor(s), have made an invention in

METHOD FOR THE MANUFACTURE OF A CERMET-CONTAINING BUSHING

and have filed an application for Letters Patent of the United States of America based thereon having Serial Number 13/361,398, and filing date of January 30, 2012;

Now, therefore, for good and valuable consideration, the receipt and adequacy of which is acknowledged, I/We have agreed to assign and transfer and do hereby assign and transfer unto Heraeus Precious Metals GmbH & Co. KG, a corporation of the Federal Republic of Germany, having its principal office at Heraeusstrasse 12-14, Hanau, Germany 63450 ("Company"), its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in the said invention made by me or made jointly with others (provided any such improvement is made during my/our employment by the said Company or within one year thereafter), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon the said invention or improvements thereon, to be held and enjoyed as fully exclusively as they would have been by me/us and this assignment had transfer not been made;

I/We do further agree for myself/ourselves and for my/our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I/We lawfully may, that may be deemed necessary by the said Company, its successors, assigns, and nominees, to fully secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

And I/We do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said Company, as the assignee of the entire right, title, and interest therein.

In witness whereof, I/We have hereunto signed my/our name(s) on the day and year set forth below.
