ASSIGNMENT

WHEREAS, I, MARK J. SZCZYGIELSKI, of 11850 Hunters Corners Road, Akron, New York 14001, have invented certain new and useful improvements in a THEFT-RESISTANT GUARD FOR A ROLL-UP DOOR LOCK for which I am about to make application for Letters Patent of the United States; and

WHEREAS, WHITING DOOR MANUFACTURING CORPORATION, a New York corporation, of 113 Cedar Street, Akron, New York 14001, is desirous of confirming its interest in the said invention(s) and Applications, and in any Letters Patent that may be granted therefor:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration to me in hand paid, the receipt whereof is hereby acknowledged, I have assigned, sold and set over, and do hereby assign, sell and set over, unto the said WHITING DOOR MANUFACTURING CORPORATION, the full and exclusive right, title and interest in and to the said invention(s) and Applications and all applications filed in all foreign countries, as fully set forth and described in the specification prepared and executed by me on the 17 day of February, 2012, preparatory to obtaining Letters Patent therefor; said invention, Applications, foreign applications and any Letters Patent to be held and enjoyed by the said WHITING DOOR MANUFACTURING CORPORATION; for its own use and behoof, and for its successors and assigns, to the full end of the term for which any Letters Patent may be granted, as fully and entirely as the same would have been held by me had this assignment not been made.

AND, I do hereby authorize and request the Commissioner of Patents and Trademarks and corresponding officials outside the United States to issue the said Letters Patent to the said WHITING DOOR MANUFACTURING CORPORATION, as the assignee of the entire right, title and interest thereto.

AND, I agree to sign and properly execute such necessary and lawful papers for filing continuations and divisions of said Applications and foreign applications, for interference or proceedings, and for obtaining any reissue or reissues of any Letters Patent that may be granted for our aforesaid invention, as the assignee thereof shall hereafter require and prepare at its own expense.

AND, I do further understand that in executing this document, I am transferring my entire interest in and to said invention, Applications and foreign applications to the assignee hereof, and that the attorneys that I have appointed in said Applications also represent the assignee and any co-inventor(s) identified in said Applications. I consent to such multiple representation for the purpose of prosecuting said Applications and foreign applications, and do hereby authorize said attorney(s) to take all future instructions from the assignee. I am unaware of any potential interest that I may have that differs from, or is adverse to, that of the assignee with respect to the prosecution of the Applications or foreign applications, and I further acknowledge that, prior to executing this document, I did not seek or obtain any legal advice from said attorney(s) with respect to this assignment, and that I had been informed of my right to seek independent counsel of my own choosing and at my own personal expense.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal this 17 day of February, 2012.
