ASSIGNMENT

Attorney Docket No.

PA000001-001-01-0001

First Named Inventor

John F. Markowski

Title

ADAPTIVE SHADE WINDOW FOR PLASMA OPERATIONS

WHEREAS, I, John F. Markowski, of Berlin, CT, U.S.A., have invented certain new and useful improvements as described in an application entitled ADAPTIVE SHADE WINDOW FOR PLASMA OPERATIONS for Letters Patent of the United States, the application being identifiable by its title and named inventors above, and/or being identifiable in the United States Patent and Trademark Office by Application No. and

WHEREAS, United Technologies Corporation, a corporation organized and existing under the laws of the State of Delaware, and having offices at One Financial Plaza, Hartford, CT 06183, ("Assignee") is desirous of acquiring the entire right, title and interest in and to the invention, the application, and any and all other Patent or similar legal protection, Design or Copyright, in the invention;

NOW, THEREFORE, the good and reliable consideration, the receipt and adequacy of which is hereby acknowledged, I transfer to Assignee, its successors and assigns, my entire right, title and interest in and to the invention, the above identified application, corresponding domestic and foreign applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and I authorize the Commissioner of Patents and Trademarks of the United States or foreign authorities thereof to issue the Letters Patent or similar legal protection to the Assignee;

I authorize the Assignee, its successors and assigns, to insert in this instrument the filing date and application number of the application when ascertained.

I authorize the Assignee, its successors and assigns, or anyone, to use properly disclosed, to apply for Letters Patent or similar legal protection, in its own name or demand, in any and all foreign countries.

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, transcriptions and deliver, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem necessary to perfect the execution of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection, the execution to any and all countries.
