OP \$40.00 13403977

ASSIGNMENT OF PATENT APPLICATION

WHEREAS, I, Thomas Michael Price Almond, of (of Newcastle, New South Wales, Australia), have invented a ADAPTABLE RECIPROCATING SLAT CONVEYOR, hereinafter referred to as the "invention," for which United States Patent Application No. 13/403,977 was filed on February 23, 2012.

WHEREAS, Halloo Industries, Inc., an Oregon Corporation, herein referred to as "Assignee" whose mailing address is PO Box 505, Tillamook, OR 97141 is desirous of acquiring the entire right, title, and interest in the same.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, I, by these presents do hereby sell, assign, and transfer unto the Assignee (1) the full and exclusive right to the invention for the United States and all foreign countries (including PCT), (2) the entire right, title, and interest in and to any and all Patents which may be granted therefore in the United States or any foreign country (including PCT), and (3) any provisionals, nonprovisionals, divisions, continuations, continuations in part, improvements, reissues, or extensions that may be made or granted thereon in the United States or any foreign country (including PCT).

FURTHER, I agree to execute further instruments proper for effectuating the premises.

FURTHER, I hereby authorize and request the Commissioner of Patent and Trademarks to issue the patent(s) to the Assignee of the entire right, title, and interest in and to the same, for Assignee's sole use and behoof; and for the use and behoof of Assignee's legal representatives, to the full end of the term for which the patent(s) may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

FURTHER, I hereby acknowledge and affirm any recorded and/or nonrecorded assignment document(s) (consistent with the intentions of this assignment document) of any related applications including, but not limited to, applications from which this application claims priority directly or indirectly, provisional application(s), nonprovisional application(s), divisional application(s), continuation application(s), continuation-in-part application(s), foreign (including PCT) application(s), improvement(s), reissue(s), and/or extension(s). I specifically disaffirm any recorded and/or nonrecorded assignment document(s) inconsistent with the intentions of this assignment document should such a document exist.

I represent that I (1) have not previously sold, assigned, or transferred, (2) have not previously agreed to sell, assign, or transfer, and (3) am under no obligation to sell, assign, or transfer any of the rights in the Invention (including those set forth above) to any party other than Assignee.

Dated 29th February 2012

Thomas Michael Price Almond

ACKNOWLEDGMENT

State of New South Wales)
Country of Australia) SS:

Before me personally appeared said Thomas Michael Price Almond and acknowledged the foregoing instrument to be his/her free act and deed this 29th day of February, 2012.

[SEAL]
