PATENT SECURITY AGREEMENT, dated as of January 1, 2012, among MOMENTIVE SPECIALTY CHEMICALS INC. (formerly known as Hexion Specialty Chemicals, Inc.), a New Jersey corporation (the "Parent"), the subsidiaries of the Parent party hereto (each, including the Parent, a "Grantor" and collectively the "Grantors"), and WILMINGTON TRUST, NATIONAL ASSOCIATION, (as successor by merger to Wilmington Trust FSB), as Collateral Agent (the "Collateral Agent").

Reference is made to the Collateral Agreement dated as of January 29, 2010 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Parent, each subsidiary of the Parent listed therein and the Collateral Agent. Each Grantor and Wilmington Trust, National Association, (as successor by merger to Wilmington Trust FSB) has entered into the Indenture dated as of January 29, 2010 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture"), among Hexion Finance Escrow LLC and Hexion Escrow Corporation, as issuers, the other parties from time to time party thereto, and Wilmington Trust, National Association, (as successor by merger to Wilmington Trust FSB), as trustee, pursuant to a supplemental indenture, dated as of January 29, 2010, by Hexion U.S. Finance Corp. and Hexion Nova Scotia Finance, ULC, as issuers, the guarantors party thereto, and Wilmington Trust, National Association, (as successor by merger to Wilmington Trust FSB), as trustee. Each Grantor is executing and delivering this Agreement pursuant to the terms of the Indenture to induce potential investors to purchase the securities.

The subsidiary parties are affiliates of the Parent, will derive substantial benefits from the sale of the securities and are willing to execute and deliver this Agreement in order to induce the potential investors to purchase the securities. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Pledgor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the "Patent Collateral");

all letters patent of the United States or the equivalent thereof in any other country and all applications for letters patent of the United States or the equivalent thereof in any other country, including those listed on Schedule I (the "Patents"), and all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein.

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Patent Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
