PATENT ASSIGNMENT AND AGREEMENT

I, **Matthew Telles**, residing at 12274 Wye Oak Commons Circle, Burke, Virginia 22015, for good and valuable consideration, receipt of which is hereby acknowledged, and subject to the joint promises made below, hereby assign to **Robert Saurman**, an individual residing at 419 Main Street # 240, Huntington Beach, California 92648, an undivided one-half interest in the invention disclosed and claimed in my application Serial No. 13/447670 for United States Patent, entitled "**Forward Hand Guard Assembly for Rifle**", filed with the Patent and Trademark Office on April 16, 2012, and in said application, any continuations or divisions thereof, and all patents and reissues thereof issued on said applications.

The Parties, Matthew Telles and Robert Saurman, promise not to grant any license, and not to transfer their interest in the invention and/or patent application, to any third party without the prior written consent of the other party.

The Parties further agree that Matthew Telles will control prosecution of the patent application, except that if Matthew Telles becomes unavailable or ceases prosecution of the patent application, Robert Saurman may then prosecute the application.

The Parties agree to share the costs of patent prosecution (attorneys' fees and official fees) equally.
