ASSIGNMENT

This Assignment is made by **Robert C. Sims** of Round Rock, Texas
("Assignor").

WHEREAS, Assignor has invented a new and useful invention entitled **MEDIA
LIBRARY MONITORING SYSTEM AND METHOD**, for which an application for United States
Letters Patent was made on February 1, 2008, bearing an application number of 12/024,755;
and

WHEREAS, Assignor believes himself to be the original inventor of the invention
including any and all improvements disclosed in said application ("Invention"); and

WHEREAS, the parties desire to have a recordable instrument assigning the
entire right, title and interest in and to said Invention, said application, on any subsequently filed
divisional, continuation, continuation-in-part, re-examination, reissue or other application for
protection ("Applications"), and any patents, invention registrations or other forms of protection
("Patents") that may be granted for said Invention from any Applications in the United States
and throughout the world;

NOW, THEREFORE, in accordance with the obligations to assign the Invention
and for other good and valuable consideration, the receipt and sufficiency of which are hereby
acknowledged, Assignor hereby sells, assigns, and transfers to **Crossroads Systems, Inc.**,
having a principal business address at **11000 N. Mopac Expressway, Suite 100, Austin, TX
78759** (hereinafter referred to as "Assignee"), the entire right, title, and interest in and to said
invention, said Applications and any Patents that may be granted for said invention in the
United States and throughout the world, including the right to file foreign applications directly in
the name of the Assignee and to claim for any such foreign applications any priority rights to
which such applications are entitled under international conventions, treaties, or otherwise.

Assignor agrees that, upon request and without further compensation, but at no
expense to Assignor, he and his legal representatives and assigns will do all lawful acts,
including the execution of papers and the giving of testimony, that may be necessary or
desirable for obtaining, sustaining, reissuing, or enforcing the Patents in the United States and
throughout the world for said Invention, and for perfecting, recording, or maintaining the title of
Assignee, its successors and assigns, to said Invention, said application, and any Patents
granted for said Invention in the United States and throughout the world.

ATTORNEY DOCKET
