ASSIGNMENT OF PATENT RIGHTS

Customer Number: 103460

WHEREAS on November 17, 2010, the undersigned assigned his rights, title and interest relating to the Invention and US Patent Publication no. 2011/0113665, (HANDLE FOR A SEMI-AUTOMATIC FIREARM), to Slide Fire's predecessor, Slide Fire Solutions, Inc., and

WHEREAS, Slide Fire Solutions, LP, a Limited Partnership organized and existing by virtue of the laws of the State of Texas, having its principal place of business at 750 FM 2408, PO Box 143, Moran, Texas, 76464 (the "Assignee"), is desirous of confirming its interest in the Invention; and

WHEREAS the undersigned desires to assign any and all of his remaining rights, title and interest in the Invention to the Assignee,

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged;

I hereby assign and transfer all of my rights, title and interest in said Invention, in said application(s) as identified above, and including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent in the United States, and countries foreign thereto, which may be granted or have been granted for said Invention, and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee, and release Assignee from all claims I may have arising from the Invention.

I further grant and transfer to the Assignee all right, title and interest to sue and recover for past, present and future infringements of the Invention

I hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Letters Patent which may issue for said Invention to said Assignee, as assignee of the whole right, title and interest thereto.

I further agree to sign and execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense.
