(hereinafter referred to as "Assignors"), each individual and together collectively, jointly and severally have made an invention relating to and entitled **DEMOUNTABLE WALL SYSTEM** (hereinafter the "Invention") as fully set out and described and claimed in a Canadian and United States patent application filed on October 7, 2011 entitled **DEMOUNTABLE WALL SYSTEM** (hereinafter, the "Applications").

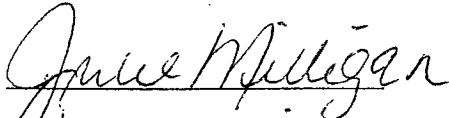

AND WHEREAS, **ENVIRONMENTAL SYSTEMS CORPORATION** (hereinafter the "Assignee"), whose full post office address is **122F Commerce Park Drive, Barrie, ON, L4N 8W8, Canada**, wishes to acquire Assignors' entire right, title and interest in and to said Invention;

NOW THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over and for greater certainty do hereby sell, assign, transfer and set over to Assignee, its successors, assigns, or legal representatives, Assignors' entire right, title and interest for Canada, the United States and all other countries throughout the world in and to the Invention, together with Assignors' entire right, title and interest in and to the Applications and any other applications for protection of said Invention and any foreign applications corresponding thereto and any and all Letters Patent which may issue for said Invention, including any and all divisions, reissues, continuations, continuations-in-part and extensions of any of the foregoing, to the full end of the term for which such Letters Patent or any related Letters Patent may be granted, and including the right to claim priority, based on any such applications for protection of said Invention, under the terms of any International Convention, the same to be held and enjoyed by Assignee as fully and completely as the same would have been held and enjoyed by Assignors had this Assignment not been made;

AND ASSIGNORS, on behalf of ourselves and our executors and administrators, hereby covenant and agree to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications and other instruments as may reasonably be required by said Assignee, its successors, assigns, or legal representatives, to obtain any and all Letters Patent for said Invention and vest the same in said Assignee, its successors, assigns, or legal representatives.

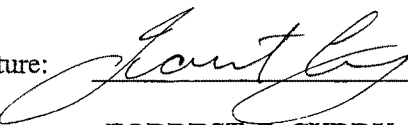

This Assignment is made effective at least as early as the date last written below.
