and we, **Jayne S. Danska, and Sujeetha Rajakumar**, have sold, assigned and transferred, and do hereby sell, assign and transfer to **THE HOSPITAL OF SICK CHILDREN** (Assignee), whose full post office address is **555 University Avenue, Toronto, Ontario, M5G 1X8 Canada**, and to the Assignee's successors, assigns or other legal representatives,

our right to apply for and obtain Letters Patent for all countries for an invention entitled "**Compositions and methods for treating hematologic cancers targeting the SIRPalpha - CD47 interaction.**", as fully set forth and described in each application for Letters Patent as listed below:

PCT Patent Application No. PCT/CA2010/000743 filed May 14, 2010;

together with our entire right, title, property, benefit and interest for Canada, the United States of America and all other countries, in and to each aforementioned application, and any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified applications under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by us had this sale, assignment and transfer not been made;

And we hereby covenant and agree to do all such things and to execute without further consideration such further assurances, applications and other instruments as may reasonably be required by the Assignee to obtain Letters Patent in Canada, the United States of America and all other countries, for the invention and vest the same in the Assignee;

Each of us makes this assignment in respect of his or her interest in the invention and aforementioned applications independently of any assignment of any other inventor or assignor.

This assignment can be executed in counterparts.
