## ASSIGNMENT

WHEREAS, I the undersigned inventor of residence as listed, have invented certain new and useful improvements as below entitled, for which an application for United States Letters and Patent is made, said application having been designated as set forth below and filed on or about the date set forth below; and

WHEREAS, the undersigned, **Tensorcom, Inc.** (the "Assignor") is the owner of the entire right, title and interest in certain Patents as set forth below; and

WHEREAS, **HIPO, LLC** (the "Assignee"),

with an address of: 5900 Pasteur Ct., Ste 105  
Carlsbad, CA 92008  
United States of America

desires to acquire the entire right, title and interest in and to the inventions, and in and to the said application and any Letters Patent(s) that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor assigns to Assignee, all right, title and interest in and to said inventions and in and to said application and all patents which may be granted therefor, and all provisional applications related thereto and any divisions, reissues, continuations, continuations-in-part and extensions thereof; and Assignor authorizes and requests the Commissioner of Patents and Trademarks to issue all patents for said inventions, or patents resulting therefrom, insofar as our interest is concerned, to Assignee.

Assignor also assigns to Assignee, all right, title and interest in and to the inventions disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said inventions in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of said inventions and all rights to register said inventions in appropriate registries; and Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

Assignor will communicate to Assignee any facts known to us respecting any improvements; and, at the expense of Assignee, Assignor will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said inventions in all countries.

This Assignment shall be binding on the parties' successors, assigns and legal representatives.
