ASSIGNMENT

WHEREAS, We, Rainer Schmitt, of Wachtberg, Germany and Antonio Casellas of Siegburg, Germany, have made certain inventions which are described in U.S. Patent Application No. 13/427,198 filed March 22, 2012, entitled METHOD FOR PRODUCING A GREEN COMPACT, preparatory to obtaining United States Letters Patent therefor, and further described in PCT International Patent Application PCT/EP2010/005595 filed on September 13, 2010, and further described in German Patent Application 10 2009 042 598.5 filed on September 23, 2009, and

WHEREAS, GKN SINTER METALS HOLDING GMBH (hereinafter referred to as said Company), a German corporation having a place of business at Krebsöge 10, Radevormwald, Germany 42477, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, and all other applications hereafter filed in the United States or any other country based in whole or in part on said inventions, and all Letters Patent granted upon said applications by the United States or any other country, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Company. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will, when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals on the date indicated below our signatures.
