PATENT ASSIGNMENT

For \$10.00 and other good and valuable consideration, the receipt and sufficiency of which I/we acknowledge, I/we further acknowledge that I/we have assigned and do hereby assign to:

Wesko Systems Limited
4570 Eastgate Parkway
Mississauga, Ontario L4W 3W6,
Canada

all of my/our worldwide rights, title and interest in and to the invention(s) described and/or claimed in

the Canadian patent application to be filed by or about April 30, 2012,

entitled **INTERCHANGEABLE ELECTRONIC LOCK**

and a US patent application for the invention(s),

and to any other applications and all letters patent or patents of the United States, Canada and all other countries of the world that may be granted for the invention(s), including any improvements and modifications, and in and to any and all divisions, continuations, continuations-in-part of said applications, and reissues and extensions of said letters patent or patents.

Without further consideration, but at the expense of the assignee, its successors or assigns, I/we undertake to do such things and sign such documents as may be requested by or on behalf of the assignee to fully vest title to the invention, and any patents to issue for the invention, whether from the applications referred to above, another application, a division or reissue, or otherwise, in the assignee, its successors or assigns.

Without further consideration, but at the expense of the assignee, its successors or assigns, I/we agree to execute all papers necessary in connection with any interference, litigation, or other legal proceeding which may be declared concerning this application (or any other application) or any continuation, division, reissue or reexamination thereof or Letters Patent or reissue patent issued thereon and to cooperate with the assignee in every way possible in obtaining and producing evidence and proceeding with such interference, litigation, or other legal proceeding.
