ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT is made by John Turcotte, residing at Grady Mold, 4320 Haggerty Rd, (hereinafter referred to as Assignor(s)) who has invented certain new and useful improvements in a multi-use golf tee as shown in at least in Attachment A, hereto and as may be set forth in a Patent application for Letters Patent of the United States \_\_\_\_\_; to George Sinanis (hereinafter referred to as Assignee).

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application and further prosecution in any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, including the right to recover for past infringements, the same to be held and enjoyed by Assignee, for its own use and benefit to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant to and agree with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, make all lawful declarations and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee and upon request of Assignee.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee.

AND Assignors hereby grant George Sinanis or his agent, its successors, legal representatives and assigns the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.
