Richard Albert Vanegas of 125 West 31 St., New York, NY 10001

} **Assignor**

hereby sell, assign, convey, and transfer to

Stellar Devices LLC of 353 W. 48th St., New York, NY 10036
Phone (646) 437-3918

} **Assignee**

its successors and assigns the certain right, title and interest specified in the attached Agreement dated 26-APR-2010 to an invention, and to any improvements thereto, the invention entitled

“Ocular implant iris diaphragm”

owned by me under an assignment from the inventors Ayhan Basoglu and Richard Albert Vanegas as recorded on 26-APR-2010 in the U.S. Patent and Trademark Office at REEL/FRAME: 024290/0508, and as described in United States patent application 12767527, filed 26-APR-2010, and in any and all applications for patent therefor in all countries, including all divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of the United States application; and

authorize and request any official whose duty it is to issue patents, to issue any patent on the invention and the improvements or resulting therefrom to the Assignee, or its successors or assigns; and

agree that on request and without further consideration, but at the expense of the Assignee, I will communicate to the Assignee or its representatives or nominees any facts known to us respecting the invention and improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, and other applications, make all rightful oaths and generally do everything possible to aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and improvements in all countries; and

covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into by me which would conflict with this assignment, and that full right to assign the invention and improvements is possessed by me.
