NOW, THEREFORE, in consideration of the benefits accruing to each Assignor, the receipt and sufficiency of which are hereby acknowledged, each Assignor hereby makes covenants and agrees with the Assignee for the benefit of the Secured Parties as follows:

SECTION 1. *Defined Terms.* Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement. For purposes of this Patent Security Agreement, the term “**Patents**” shall mean all United States and foreign patents, certificates of invention, industrial designs or similar industrial property rights, and applications for any of the foregoing, including to: (i) all reissues, divisions, continuations (including continuations-in-part and improvements thereof), extensions, renewals, and reexaminations thereof, (ii) inventions described and claimed therein, (iii) all rights corresponding thereto throughout the world, (iv) all inventions and improvements described therein, (v) all rights to sue for past, present and future infringements or other violations thereof, (vi) all licenses, claims, damages and proceeds of suit arising therefrom and (vii) all Proceeds of the foregoing, including license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto.

SECTION 2. *Grant of Security Interest in Patent Collateral.* As security for the prompt and complete payment and performance when due of all of its Secured Obligations, each Assignor does hereby pledge and grant to the Assignee, for the benefit of the Secured Parties, a continuing security interest in all of the right, title and interest of such Assignor in, to and under all of the following (collectively, the “**Pledged Patent Collateral**”):

- (a) all Patents of such Assignor, including the registered and applied-for Patents of such Assignor listed on Schedule I attached hereto; and

In the

event of any conflict between the terms of the Security Agreement and this Patent Security Agreement, the terms of the Security Agreement shall govern and control.
