**(hereinafter the "Assignors");**

have invented certain new and useful improvements proposed to be covered by an application for patent thereon entitled **"WELDED DOUBLE FABRIC TUBE"**;

AND WHEREAS **ABC Canada Technology Group Ltd.**, whose full post office address is **1802 Quebec Avenue, Saskatoon, Saskatchewan, Canada S7K 1W2**, is desirous of acquiring the full and exclusive right, title and interest in and to said invention, and in and to all Letters Patent issuing for said invention based on patent applications filed in the world;

NOW, THEREFORE, for a valuable consideration, the receipt whereof is hereby acknowledged, we the said assignors, do hereby sell, assign, transfer, and set over unto the said assignee, its successors and assigns, the full and exclusive right, title and interest in and to the invention and in and to all Letters Patent and reissues thereof which may be granted upon such invention; the same to be held and enjoyed

by the said assignee for its own use and behalf, and for the use and behalf of its successors and assigns, to the full end of the term or terms for which said patents and reissues thereof may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made;

AND we hereby agree to execute, upon request, any and all further papers which may be necessary or desirable to enable the said assignee, its successors and assigns, to file and prosecute any and all applications for Letters Patent on said invention; and we further agree to execute any and all further papers which may be necessary or desirable to vest or perfect the title of said assignee, its successors and assigns, in and to the inventions therein disclosed, and in and to any and all Letter Patent and reissues thereof which may be granted upon these applications;

AND we hereby authorize and request The Commissioner of Patents to issue each and every Letters Patent to be granted, and upon any and all substitutes, divisions, and continuations of said applications, and each and every reissue of said Letters Patent, to the said assignee, its successors and assigns, as the assignee of the entire right, title and interest therein, in accordance with this assignment.
