ASSIGNMENT

In Consideration of the sum of One Dollar (\$1.00), and of other good and valuable consideration paid to the undersigned, receipt whereof is hereby acknowledged, by Anderson Aerospace, a corporation organized under the laws of the State of Ohio and having a place of business at 277 Martinel Drive, Suite 104, Kent, Ohio 44240, the undersigned by these presents hereby sells, assigns, transfers and sets over unto the said assignee their interest in the following patent application(s):

COMPACT HIGH EFFICIENCY INTEGRATED DIRECT WAVE MOBILE COMMUNICATIONS TERMINAL

said invention being described in provisional filing serial number 61/485,114 filed May 11, 2011 and fully described and/or claimed in U.S. patent application 13/469,903 filed on May 11, 2012, as well as any related patent applications for Letters Patent of the United States of America, in and for the United States and all foreign countries, the same to be held and enjoyed by said assignee, its successors, assigns or other legal representatives, to the full ends of the terms for which all Letters Patent therefore may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And Said Assignee is Hereby Authorized to make application for and to receive Letters Patent for said invention in any of said countries of its election.

And By This Covenant The Undersigned will execute or procure any further necessary assurance of title to said invention and Letters Patent; and at any time, upon the request and at the expense of said assignee, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention or any Letters Patents which may be granted therefore in said Assignee, its successors, assigns or other legal representatives, and upon the request and at the expense of said assignee, will execute any additional or divisional applications for patents for said invention, or any part or parts thereof, and for the reissue of said Letters Patents to be granted therefore, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein without further compensation, but at the expense of said assignee, its successors, assigns or other legal representatives.

And The Commissioner of Patents is Hereby Authorized and Requested to issue any and all letters patent of the United States for said invention, to said assignee.
