ASSIGNMENT OF PATENT APPLICATION

We; Thomas C. Kuracina of Carson City, Nevada; and Tim L. Kitchen of San Francisco, California, the undersigned (each) have agreed and hereby agree to assign to InjectiMed, Inc.; an entity having principal offices at: 1167 Annie Court, Suite C, Minden, Nevada 89423 (hereinafter referred to as InjectiMed), for good and valuable consideration, the receipt of which is hereby acknowledged, and do hereby assign, and transfer to: InjectiMed its successors and assigns, the entire right, title, and interest, including the right of priority, in, to, and under an application for Letters Patent of any country around the world for the invention entitled:

NEEDLE GUARD

Of:

First Named Inventor: Thomas C. Kuracina of Carson City, Nevada;

Second Named Inventor: Tim L. Kitchen of San Francisco, California; and,

filed as a US patent application 13/274,575;

and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (CIPs), divisionals, provisionals and non-provisionals, and renewals of and substitutes for said application for said Letters Patent, and any and all Letters Patent of the United States and of any and all countries around the world, which may be granted thereon or therefor, and any reissues, or re-examinations, or extensions of said Letters Patent.

We additionally authorize InjectiMed to file applications in our name(s) for Letters Patent in any country, to be held and enjoyed by: InjectiMed, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which any said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale, and transfer not been made;

AND we hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said Invention(s) or Improvement(s), said application(s) and any said Letters Patent, to: InjectiMed, its successors, assigns, nominees, or legal representatives, and we agree to communicate to: InjectiMed, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application(s) and any said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, CIPs, provisionals and non-provisionals, reissues and/or foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid : InjectiMed, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by: InjectiMed

AND we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries other than the United States whose duty it is to issue patents on applications as aforesaid, to issue to: InjectiMed as assignee of the entire right, title, and interest in and/or to any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States or of any country which may be issued and granted on or as a result of the application(s) aforesaid, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, we have hereunto set our hand on the date(s) set forth hereinafter.
