ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, GARRETT N. FORD, do hereby assign and transfer to EASYCARE, INC., a corporation organized under the laws of the State of Arizona, U.S.A., having its principal offices at 2300 E. Vistoso Commerce Loop Road, Tucson, Arizona 85737, and to its successors, assigns and legal representatives, the entire right, title and interest to the invention entitled **"BUCKLE-FREE SLIP-ON HORSE BOOT WITH GAITER,"** described, illustrated and claimed in a U.S. Patent Application Serial Number 13/477,835, filed on May 22nd, 2012, together with the entire right, title and interest in and to said application, and in and to Letters Patent that may be issued upon said application, and in any division, extension, continuation or reissue thereof, said EASYCARE, INC., bearing all patent application expenses, including attorney fees.

I also hereby assign and transfer unto said EASYCARE, INC., the entire right, title and interest in and to said inventions and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries; I further authorize said EASYCARE, INC., to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United

States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to EASYCARE, INC., for the sole use and benefit of said EASYCARE, INC., its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to said EASYCARE, INC.

I agree that, when requested, I will, without charge to said EASYCARE, INC., but at its expense, sign all papers, take all rightful oaths, and do all acts that may be necessary, desirable or convenient for securing and/or maintaining patents for said invention in any and all countries and for vesting title thereto in said EASYCARE, INC., its successors, assigns and legal representatives or nominees.

I covenant with said EASYCARE, INC., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
