ASSIGNMENT

For valuable and sufficient consideration from **Cameron International Corporation** (hereinafter referred to as "Assignee"), having its principal place of business at 1333 West Loop South, Suite 1700, Houston, Texas 77027, receipt of such consideration being hereby acknowledged, I/we,

Donald Scott Coonrod of **Katy, Texas**
Ronald Wayne Webb of **Houston, Texas**

hereby sell and assign and convey unto Assignee, its successors and assigns, my/our entire right, title and interest:

1) in and to an invention entitled "_____", in PCT Patent Application executed concurrently herewith or filed on _____ having Application No. _____, which, if applicable, claims priority to and benefit of Application No(s). _____ filed on _____;

2) in and to an invention entitled "**Energy Harvesting System**", in United States Patent Application, executed concurrently herewith or filed on May 18, 2012 having Application No. 13/475,856, which, if applicable, claims priority to and benefit of Application No(s). _____ filed on _____;

3) in and to an invention entitled "_____", in United States Provisional Application and/or Foreign Patent Application executed concurrently herewith or filed on _____ having Application No(s). _____; and

(4) in and to said PCT Patent Application, United States Patent Application, United States Provisional Application and/or Foreign Patent Application and in and to all other patent applications now or hereafter filed in the United States and countries foreign to the United States (including divisional, continuation, reexamination, and reissue applications, and legal equivalents thereof) based upon said invention, and in and to the patent or patents granted thereon or issued therefrom, including reissues or the like thereof, if any, to the full end of the term or terms for which said patent or patents may be granted or issued.

I/we authorize and request that any attorney associated with **PTO Customer No. 64833** may insert additional information identifying said PCT Patent Application, United States Patent Application, United States Provisional Application and/or Foreign Patent Application after execution of this agreement.

I/we agree that any patent applications of any countries foreign to the United States which may be filed under any applicable international treaties and/or conventions based upon said invention(s) shall be filed in the name of Assignee with the right to claim priority to any earlier filed applications based upon said invention(s).

I/we hereby further agree that I/we shall, upon demand of Assignee, its successors or assigns, and without further consideration to me/us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to be a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me/us.

I/we hereby further agree and authorize the Commissioner of Patents and Trademarks of the United States and all other appropriate government officials for applicable countries foreign to the United States to issue any and all above-identified patents to Assignee.
