ASSIGNMENT

FOR VALUE RECEIVED, DONNELLY CORPORATION

a corporation of Michigan

having a place of business at 414 East 40th Street, Holland, Michigan 49423, (hereinafter called the "Assignor"), which by virtue of an Assignment recorded July 21, 2004, is the owner of its entire right, title and interest, for the United States of America, in and to certain inventions described in an application for Letters Patent of the United States executed by Stephan Hansen, Anoop Agrawal and Juan Carlos Lopez Tenazzi on June 18, 2004; and Raymond L. Zhang on July 2, 2004 hereby sells, assigns, transfers and conveys unto

a corporation of Germany

having a place of business at Hattenbergstrasse 10, 55122 Mainz, Germany

its successors, assigns and legal representatives (hereinafter called the "Assignee"), its entire right, title and interest, for all countries, in and to certain inventions relating to **CHROMOGENIC GLAZING**

and described in Application No. 10/258,519 now Letters Patent No. 6,795,226, which issued on September 21, 2004, of the United States, and currently assigned in part to Assignor in and to said application, and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted, thereon, and all reissues and extensions thereof, and Assignor hereby authorizes and requests the Commissioner of Patents of the United States to issue all Letters Patent upon said inventions to the Assignee or to such nominees as it may designate.

AND Assignor authorizes and empowers the said Assignee or nominee to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from Assignor.

AND Assignor hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in the United States for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND Assignor hereby covenants that Assignor has the full right to convey its entire right, title and interest herein assigned and that Assignor has not executed and will not execute any agreement in conflict herewith.

AND Assignor hereby covenants and agrees that Assignor will communicate to said Assignee or nominees all facts known to Assignor pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining and enforcing all lawful patent protection for said inventions in the United States.
