**ASSIGNMENT**

**Anderson Quillian Smith**, residing at 2813 Dewberry Road, York, Pennsylvania 17404, a citizen of the United States of America; and **Anthony Russell Rogers**, residing at 159 Willow Drive, Newtown, Pennsylvania 18940, a citizen of the United States of America, (hereafter jointly and severally referred to as the undersigned), are the inventors of

**FRAME FOR A FORCED AIR HEATER**

for which the undersigned have executed an application for United States Letters Patent, U.S. Patent Application No. 29/422,434, filed May 21, 2012.

The undersigned hereby authorize assignee or assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

Pinnacle Products International, Inc., a corporation, having a place of business at 668 Stony Hill Road, #302, Yardley, Pennsylvania 19067, (hereafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, does hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the application for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

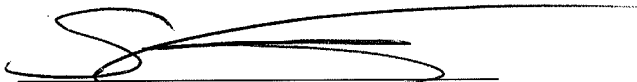

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice

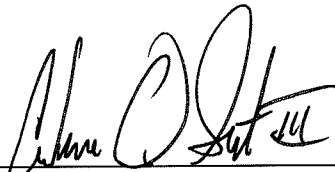

of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.
