ASSIGNMENT

WHEREAS, I, Miguel Jardine, of Phoenix, County of Maricopa, and State of Arizona, have made new and useful improvements in SYSTEM AND METHOD FOR CONTINUOUS VERMICULTURE CYCLE; for which application for Letters Patent of the United States has been filed on December 23, 2011 under Serial No. 13/336,037; and

WHEREAS, VermiSoks, a corporation duly organized and existing under the laws of the State of Arizona, having a place of business at Phoenix, County of Maricopa, State of Arizona, is desirous of acquiring the entire right, title and interest in and to the said improvements and all patents therefor to be obtained in the United States of America and countries foreign to the United States;

NOW THEREFORE, BE IT KNOWN that for valuable considerations to me paid, the receipt whereof is hereby acknowledged, I, the said Miguel Jardine, do hereby assign, sell and set over unto the said VermiSoks its successors or assigns, the entire right, title and interest in and to the said improvements and any and all inventions pertaining thereto, said application Serial No. 13/336,037 for the United States patent, all patents granted therefor in the United States of America and elsewhere, and the right to apply for patents therefor in all countries foreign to the United States and to claim for such applications the priority of United States applications, and I hereby request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents, to issue such patents to the said VermiSoks its successors or assigns; and I further agree to execute such other applications and other instruments and do all other acts as may be deemed necessary by the said VermiSoks its successors or assigns in order to fully secure, protect and preserve its rights to the said improvements and to obtain patents therefor in the United States of America and all countries foreign to the United States, all without further consideration but at the expense of the said VermiSoks its successors or assigns.
