MedicineLodge, Inc. dba IMDS Co-Innovation and its affiliated companies, having a principal place of business at 124 South 600 West Logan, Utah 84321 (the "Assignee"), desires to secure its rights, title and interest in said inventions in accordance with the ownership provisions set forth between James Chow, M.D. and MedicineLodge, Inc. dba IMDS in that certain Joint Development Agreement effective August 22, 2011, and that certain Statement of Work #1 effective August 22, 2011, and any amendments pertaining thereto (the "Agreements").

In consideration of value paid or granted to Assignor by the Assignee pursuant to the Agreements with the Assignee, the receipt and sufficiency of which are hereby acknowledged,

EFFECTIVE SEPTEMBER 7, 2011, ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

the apportioned right, title and interest as set forth in the Agreements in said inventions and in the above-identified United States patent applications and in all provisionals, non-provisional, divisions, continuations and continuations-in-part of said application, or reissues or extensions of letters patent or patents granted thereon, in all corresponding applications under the Patent Cooperation Treaty ("PCT"), and in all corresponding applications filed in any countries, territories, or jurisdictions worldwide and in all patents issuing thereon in the United States and in any countries territories, and jurisdictions worldwide; and

the right to file PCT or foreign patent applications on said inventions in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in all countries, territories, and jurisdictions worldwide as are duly authorized by their patent laws to issue patents, to issue any and all patents on said inventions to the Assignee and Assignor, together, as the owners of all rights, title and interests in and to said inventions, for the sole use and benefit of Assignee and Assignor, their successors, assigns and legal representatives.

Assignor hereby authorizes and requests such Patent Office officials affiliated with the International Bureau of WIPO and duly authorized under the PCT to prosecute any PCT application on said inventions for the benefit of the Assignee and Assignor as the owners of all rights, title and interests in and said inventions, for the sole use and benefit of Assignee and Assignor, their successors, assigns and legal representatives.

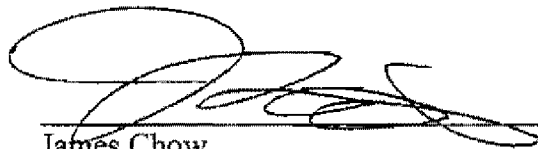

Assignor hereby agrees, without further consideration and without expense to Assignor, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of Assignor to make this assignment fully effective, including, by way of example but not of limitation, the following:

- prompt execution of all original, divisional, substitute, reissue, and other patent applications in the United States and in any countries, territories, and jurisdictions worldwide on said inventions, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications; and

- cooperation to the best of Assignors ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said inventions.

This assignment and agreement shall be binding upon Assignor, its affiliate and legal representatives.
