ASSIGNMENT

For valuable consideration, We, Ton Janssen and Jan Van Den Bos, hereby assign to GE Healthcare Limited having a place of business at Amersham Place, Little Chalfont, Buckinghamshire HP7 9NA, United Kingdom and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the invention and improvements which are the subject of United States application number 11/995,222 filed January 10, 2008, which is a 371 filing of PCT application Number PCT/GB2006/001215 Filed March 31, 2006, which claims priority to Great Britain Patent Application Number 0514087.6 filed July 11, 2005 and related applications and patents, entitled **Gentisic Acid For Stabilising 123-I Radiopharmaceuticals**, this assignment including said application, any and all United States and foreign patents filed and or granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and the like rights of exclusion and for inventor's certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent referred to above to the Assignee, as the Assignee of the entire right, title and interest in and to the same, for the Assignee's sole use and behoof and for the use and behoof of the Assignee's legal representatives, successors and assigns, to the full end of the term for which such Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignor had this assignment and sale not been made.
