ASSIGNMENT

WHEREAS, I, Roy J. Rozek, a citizen of the United States of America residing at 1519 Kingswood Drive, Neenah, Wisconsin 54956 ("Assignor"), have invented certain new and useful improvements in "NAPKIN DISPENSER", for which an application for United States Letters Patent was filed on February 23, 2012, and which was accorded Serial No. 13/403,418 ("Application"); and

WHEREAS, Dixie Consumer Products LLC, a limited liability company duly organized under the laws of the State of Delaware, having a place of business at 133 Peachtree Street, N.E., Atlanta, Georgia 30303 ("DCP"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention, Application, any patent application relating to the aforesaid invention, any patent application claiming the benefit of the filing date of the Application, and in and to any Letters Patent of the United States or any foreign country which may be granted therefor;

NOW, THEREFORE, be it known that for good and valuable consideration, including my employment by DCP, the receipt and sufficiency of which is hereby acknowledged, Assignor by these presents does hereby sell, assign, and transfer unto DCP, its successors, legal representatives, and assigns the full and exclusive right in and to the invention as described in the Application, and the entire right, title, and interest in and to the Application, any and all patent applications claiming the benefit of the filing date of the Application, and any and all Letters Patent which may be granted therefor in the United States and its territorial possessions, and in any and all foreign countries, and in and to any and all divisions, continuations, continuations-in-part, reexaminations, reissues, extensions, substitutions and renewals thereof; to the full end of the term for which said Letters Patent may be granted, the same to be held and enjoyed by DCP, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made;

AND ASSIGNOR HEREBY authorizes and requests the Commissioner for Patents or any other proper officer or agency of any country whose duty it is to issue patents on applications as described above, to issue all said Letters Patent to DCP, as assignee;

AND ASSIGNOR HEREBY warrants and covenants that I have full right to convey the entire interest herein assigned and that I have not executed and will not execute any instrument or assignment in conflict with this Assignment;

AND ASSIGNOR HEREBY agrees to communicate to DCP or its representatives any facts known to me respecting said invention and/or Application, to execute all divisional, continuation, continuation-in-part, reexamination, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention and/or Application, and to testify in any judicial or administrative proceeding and generally do everything possible to aid DCP to secure full and complete protection for the invention, Application, and all patents and patent

applications claiming the benefit of the filing date of the Application or that may be necessary to vest in DCP the complete title to the invention, Application, and all patents and patent applications claiming the benefit of the filing date of the Application hereby conveyed and to enable it to record said title and enforce said Letters Patent in the United States or any foreign country when requested so to do by DCP.

IN WITNESS WHEREOF, I have hereunto set my hand on the date as set forth below.
