C O N F I R M A T O R Y A S S I G N M E N T

WHEREAS, on May 29, 2012, APPLE INC., a corporation organized and existing under the laws of the State of California and having an address of 1 Infinite Loop, Cupertino, California 95014, obtained by assignment from Benjamin M. Rappoport all of his right, title, and interest in and to an invention entitled "Notched Display Layers," for which an application for United States Letters Patent is about to be made;

WHEREAS, said Assignment of said United States patent application was executed by Benjamin M. Rappoport on May 29, 2012;

WHEREAS, a Declaration for said United States patent application was executed by Benjamin M. Rappoport on June 1, 2012; and

WHEREAS, said Benjamin M. Rappoport is desirous of confirming the transfer of his right, title, and interest in and to said invention to said APPLE INC., its successors, assigns and legal representatives;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Benjamin M. Rappoport do hereby sell, assign and transfer unto said APPLE INC., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and including the right to claim

priority under the International Convention based on said patent application, and any patent which has issued or may issue thereon, and any reissues of the same; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to said APPLE INC., its successors, assigns, and legal representatives, as the assignee of the entire interest therein; and I further agree to execute upon request of said APPLE INC., its successors, assigns, and legal representatives, such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter.

6 June 2012
