ASSIGNMENT

WHEREAS, (I) John Watson, residing at 334 Slidell St., New Orleans, LA 70114, a citizen of the United States of America, (hereinafter "Inventor") having made an invention entitled **"Apparatus and Method for Extracting Crustacean Meat"**, (as described in the Keaty Law Firm file, Docket Number W11-3118) with the intent to apply for Letters Patent of the United States of America based thereon;

WHEREAS, Armac Industries Inc., (hereinafter "Assignee") is desirous to practice this invention;

NOW, THEREFORE, for other good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer unto the Assignee and do hereby assign unto Assignee, having its postal address at 320 Madison St., Gretna, LA 70053, its successors and assigns, the entire right, title and interest in any rights he may have involving the invention, and in and to any division, continuation or continuation-in-part, of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by Assignee, its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to Assignee, as the assignee of the entire interest therein.

In witness whereof, I have hereunto signed my name on the day and year set forth below.
