ASSIGNMENT

WHEREAS I, **GIANFRANCO CICCARELLI**, residing respectively at Heyrieux, France have invented certain new and useful improvements in a

FOLDABLE FORM PANEL BLOCK FOR BUILDING WALLS

and the invention therein described and claimed in Application No: 13/139,880, filed on July 12, 2011.

WHEREAS, **CICABLOC INDUSTRIE**, a French joint stock company doing business at Heyrieux, France is desirous of acquiring the entire interest in the invention, and in any and all Letters Patent of the United States that may be obtained therefor;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said joint stock company, its legal representatives, successors and assigns, the full and exclusive right to the said invention as fully set forth and described in the above-mentioned application, and to the application and any and all divisions and continuations thereof, and any and all Letters Patent of the United States which may be granted therefor, and any and all reissues of the Letters Patent, the same to be held and enjoyed by the said joint stock company, its legal representatives, successors and assigns, to the full end of the term, for which the Letters Patent may be granted or may be reissued or extended, as fully and entirely as the same would have been held by me, had this assignment and sale not been made.

AND I hereby authorize the Commissioner for Patents to issue any and all Letters Patent of the United States on the invention or resulting from the application and from any and all divisions and continuations thereof to the said joint stock company as the assignee of the entire right, title and interest in and to the same.
