RELEASE OF SECURITY INTEREST IN PATENTS

This Release of Security Interest in Patents is made as of April 30, 2012 ("Effective Date") by U.S. Bank National Association, as Collateral Trustee for the benefit of the Secured Parties with its place of business at 209 S. LaSalle Street, Suite 300, Chicago, Illinois, 60604 (the "Collateral Trustee") for the benefit of ACCO Brands Corporation, a Delaware corporation, and each of the other assignors that are party to the Security Agreement, as defined below (each, the "Companies").

WHEREAS, pursuant to the terms and conditions of that certain Patent Security Agreement dated as of September 30, 2009 (the "Security Agreement") by and between the Companies and the Collateral Trustee, each Company has granted to the Collateral Trustee a security interest in and to all of the right, title and interest in and to and under all of the following personal and fixture property (and all rights therein) of such Company, or in which or to which such Company has any rights, in each case then existing or thereafter from time to time acquired (collectively, the "Pledged Patent Collateral"):

- (a) all United States and foreign patents, certificates of invention, industrial designs or similar industrial property rights, and applications for any of the foregoing, including, the registered and applied for patents of such Company listed on Schedule A attached hereto, and including with respect to all of the foregoing:
 - (i) all reissues, divisions, continuations (including, but not limited to, continuations-in-part and improvements thereof), extensions, renewals, and reexaminations thereof, (ii) inventions described and claimed therein, (iii) all rights corresponding thereto through the world, (iv) all inventions and improvements described therein, (v) all rights to sue for past, present and future infringements or other violations thereof, (vi) all licenses, claims, damages, and proceeds of suit arising therefrom, and (vii) all Proceeds of the foregoing, including licenses, royalties, income, fees, payments, claims, damages and proceeds of suit then or thereafter due and/or payable with respect thereto of such Company; and (b) to the extent not included in clause (a), all Proceeds and products of any and all of the foregoing; and

WHEREAS, the Security Agreement was executed by the Companies and was previously filed for record in the United States Patent and Trademark Office ("USPTO") on December 20, 2009 at Patent Reel No. 023390, Frame No. 0780; and

WHEREAS, Collateral Trustee acknowledges full performance of the Secured Obligations (as defined in the Security Agreement), and accordingly Collateral Trustee has agreed to release the grant of its security interest in and to all of the right, title, and interest of the Companies in the Pledged Patent Collateral, and to reconvey any and all rights in the Pledged Patent Collateral to the Companies;

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Trustee releases, relinquishes and discharges, with respect to each Company, all of its continuing security interest in all such Company's right, title or interest in, to and under the Pledged Patent Collateral, and re-assigns to such Company any and all right, title or interest it may have in such Pledged Patent Collateral, all without warranty and representation of any kind.

The Collateral Trustee hereby authorizes the Companies, or the Companies' authorized representatives to: (a) record this Release with the USPTO and/or any other applicable governmental office or Agency, and (b) file UCC financing statement amendments with the applicable filing office in order to memorialize the release of the security interest of the Collateral Trustee in the Pledged Patent Collateral. The Collateral Trustee agrees to execute and deliver to the Companies, at the joint and several expense of the Companies, all other instruments and other documents as may be prepared by the Companies and delivered to the Collateral Trustee for execution and are reasonably necessary or proper to effectuate and evidence the release of the security interest in the Pledged Patent Collateral which had been granted under the Security Agreement.

(Signature Page to Release of Security Interest in Patents)

IN WITNESS WHEREOF, Collateral Trustee has caused this Release to be executed by its duly authorized representative as of the Effective Date.

U.S. BANK NATIONAL ASSOCIATION,
not in its individual capacity but solely as
Collateral Trustee
