RELEASE OF SECURITY INTEREST IN PATENTS

This Release of Security Interest in Patents is made as of April 30, 2012 (“Effective Date”) by Deutsche Bank AG New York Branch, as Collateral Agent for the benefit of the Secured Parties with its place of business at 60 Wall Street, NYC60-208, 2nd Floor, New York, New York 10005 (the “Collateral Agent”) for the benefit of ACCO Brands Corporation, a Delaware corporation, and each of the other assignors that are party to the Security Agreement, as defined below (each, the “Companies”).

WHEREAS, pursuant to the terms and conditions of that certain Patent Security Agreement dated as of October 14, 2010 (the “Security Agreement”) by and between the Companies and the Collateral Trustee, each Company has granted to the Collateral Agent a security interest in and to all of the right, title and interest in and to and under all of the following personal and fixture property (and all rights therein) of such Company, or in which or to which such Company has any rights, in each case then existing or thereafter from time to time acquired (collectively, the “Pledged Patent Collateral”): (a) all United States and foreign patents, certificates of invention, industrial designs or similar industrial property rights, and applications for any of the foregoing, including, the registered and applied for patents of such Company listed on Schedule A attached hereto, and including with respect to all of the foregoing: (i) all reissues, divisions, continuations (including, but not limited to, continuations-in-part and improvements thereof), extensions, renewals, and reexaminations thereof, (ii) all inventions described and claimed therein, (iii) all rights corresponding thereto through the world, (iv) all inventions and improvements described therein, (v) all rights to sue for past, present and future infringements or other violations thereof, (vi) all licenses, claims, damages, and proceeds of suit arising therefrom, and (vii) all Proceeds of the foregoing, including licenses, royalties, income, fees, payments, claims, damages and proceeds of suit then or thereafter due and/or payable with respect thereto of such Company; and (b) to the extent not included in clause (a), all Proceeds and products of any and all of the foregoing; and

WHEREAS, the Security Agreement was executed by the Companies and was previously filed for record in the United States Patent and Trademark Office (“USPTO”) on January 25, 2011 at Patent Reel No. 025694, Frame No. 0797; and

WHEREAS, Collateral Agent acknowledges full performance of the Secured Obligations (as defined in the Security Agreement), and accordingly Collateral Agent has agreed to release the grant of its security interest in and to all of the right, title, and interest of the Companies in the Pledged Patent Collateral, and to reconvey any and all rights in the Pledged Patent Collateral to the Companies;

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent hereby releases, relinquishes and discharges, with respect to each Company, all of its continuing security interest in all such Company’s right, title or interest in, to and under the Pledged Patent Collateral, and re-assigns to such Company any and all right, title or interest it may have in such Pledged Patent Collateral, all without recourse and without warranty or representation of any kind (either express or implied).

The Collateral Agent hereby authorizes the Companies, or the Companies’ authorized representatives to: (a) record this Release with the USPTO and/or any other applicable governmental office or Agency, and (b) file UCC financing statement amendments with the applicable filing office in order to memorialize the release of the security interest of the Collateral Agent in the Pledged Patent Collateral. The Collateral Agent agrees to execute and deliver to the Companies all other instruments and other documents as may be necessary or proper to effectuate and evidence the release of the security interest in the Pledged Patent Collateral which had been granted under the Security Agreement.
