Title: Method for Distributed RDSMS	

THIS ASSIGNMENT, by Damian Black (hereinafter referred to as the assignor), residing at 100 Golden Hill Place, Walnut Creek, California 94596, witnessesh:

WHEREAS, the said assignor has invented certain new and useful improvements in:

Method for Distributed RDSMS

for which applications for United States Patents were filed on 03/15/2003 (Application Serial No. 10/390,091, now U.S. Patent No. 7,010,538); 12/20/2005 (Application Serial No. 11/313,053, now U.S. Patent No. 7,480,660); 12/11/2008 (Application Serial No. 12/333,230); 11/07/2011 (Application Serial No. 13/290,886); and 11/07/2011 (Application Serial No. 13/290,967).

WHEREAS, SQLstream Inc., a Delaware Corporation, having its principal place of business at 1540 Market St. #400-425, San Francisco, California 94102, (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said invention and said applications for Letters Patent of the United States and United States Patents, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, said assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention, applications for Letters Patent, Patents and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and behalf and the use and behalf of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor is the sole and lawful owner of the entire right, title and interest in and to said invention and the applications for Letters Patent and Patents above-mentioned, and that the same are unencumbered and that said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that said assignor will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or said applications for Letters Patent, or Patent or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignor hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said invention and the Letters Patent to be issued thereon for the sole use and behalf of said assignee, its successors, legal representatives and assigns.
