WHEREAS, Gilbarco, S.r.l., an Italian juridical entity (hereinafter together with its successors and assigns referred to as "the Assignee") having a place of business at Via de' Cattani, 220/G, 50145 Firenze, Italy, owns all of my right, title, and interest in, to, and under said invention(s) and said application(s) by matter of Italian law; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I also acknowledge that Assignee owns all right, title, and interest in, to, and under said invention(s) and said application(s), including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on said invention(s), and any and all other applications for Letters Patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part, and convention applications based in whole or in part upon said invention(s) or upon said application(s), and any and all Letters Patent which may issue thereon in the United States and foreign countries and any and all reissues, extensions, renewals, divisions, continuations, or continuations-in-part of Letters Patent granted for said invention(s) or upon said application(s), to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s), said application(s), and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as a matter of Italian law. I hereby authorize the Assignee to file patent applications in any and all countries on any or all of said invention(s) in my name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or the applicable laws of a particular jurisdiction.
