**ASSIGNMENT**

For good and valuable consideration, I, David Dombrow, a citizen of USA, residing at 207 Oakdale Road, Baltimore, MD 21210, USA, hereinafter individually or collectively referred to as "Assignor":

Hereby sell, assign and transfer to **Under Armour, Inc.**, a corporation organized and existing under the laws of Maryland, having its principal place of business at 1020 Hull Street, Baltimore Maryland 21230, U.S.A., hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the application for United States Letters Patent, Serial Number N/A, filed herewith and

entitled: **SHOE UPPER**

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries, including any PCT applications, on any of said inventions and improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said inventions and improvements;

Agree that said Assignee may apply for and receive Letters Patent for said inventions and improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said inventions and improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements and all applications for patents and all patents on said inventions and improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
