ASSIGNMENT AND AGREEMENT

For value received, I, Jason S. Bowe, residing at 2492 Matchlock Court, West Lafayette, IN 47906, hereby assert that the rights to the invention or inventions below mentioned vest in **MED Institute, Inc.**, a corporation of the State of Indiana, having an office at 1 Geddes Way, West Lafayette, IN 47906, U.S.A by virtue of employment or otherwise, hereby sell, assign, and transfer to **MED Institute, Inc.** and its successors, assigns, and legal representatives, hereinafter collectively "MED" the entire right, title and interest in the said invention or inventions, said rights being in the United States of America and all other countries and states of the world and being to the invention or inventions related to "**DELIVERY SYSTEM WITH RETRACTABLE PROXIMAL END**" and being described in U.S. provisional patent application No. 61/287,511, filed on December 17, 2009, and any and all applications claiming the benefit thereof including the right of priority, and described in U.S. Application Serial No. _____, filed on _____, (I hereby consent to the patent attorney entering the serial number when it becomes known), and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States and in any country or state of the world for said inventions. I sell, assign, and transfer this right, title and interest as of the day of signature or of filing of the U.S. provisional patent application mentioned above, whichever is the earlier.

I authorize MED to make application for such protection in their own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right MED to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

Signed for and on behalf of
