ASSIGNMENT

WHEREAS, **Jason W. Wheeler** of **Albuquerque, New Mexico** has made an invention relating to **Skin Stretch Tactile Feedback Device**, in the course of the work authorized by Contract DE-AC04-94AL85000 between SANDIA CORPORATION and the UNITED STATES DEPARTMENT OF ENERGY, said invention being disclosed and claimed in an application for United States patent, identified as DOE Docket No: **S-121041** duly executed by said inventor and

WHEREAS Inventor, in consideration of employment by Sandia Corporation, has assigned to Sandia Corporation, its successors and assigns, all of Inventor's rights to inventions, discoveries, or improvements made or conceived in the course of his employment; and

WHEREAS, title to the above-identified invention vests in the Government of the United States, as represented by the U.S. Department of Energy, as governed by 42 U.S.C. 5908; and

WHEREAS, the Government of the United States, as represented by the U.S. Department of Energy has granted a waiver of Government rights in the above-identified invention to Sandia Corporation; and

THEREFORE, Inventor hereby sells, assigns, and transfers unto Sandia Corporation his entire right, title, and interest in and to said invention and in and to all resulting patents, wherever they may be granted, as well as reissues or extensions of said patents, to the extent that Inventor's right, title, and interest in and to said invention has not already been sold, assigned, or transferred to Sandia Corporation by Inventor in consideration of Inventor's employment by Sandia Corporation.

Inventor covenants with Sandia Corporation that, except for the rights, if any, of the Government, his interest in the rights and property herein conveyed is free and clear of any encumbrance and that he has full right to convey the same as herein expressed. He agrees, at the request of Sandia corporation, to make, execute, and deliver to Sandia Corporation, the Government, or other party prosecuting patent applications on this invention, any and all papers, documents, affidavits, applications, statements or other instruments relating to said invention, take all rightful oaths and do all acts as may reasonably be required of him in or incident to the prosecution of any or all applications on said invention or in the adjustment or settlement of any interferences or other actions or proceedings that said applications or patents thereon may encounter or in which he may become involved.

I hereby authorize and request my attorney, Olivia J. Tsai, of Sandia Corporation, Albuquerque, New Mexico, to insert here in parentheses (Application No. 12/639,427, filed December 16, 2009), the application number and filing date of said application when known.
