## ASSIGNMENT

WHEREAS I, Lonnie L. Schmidt, whose post office address is 516 West Cuming Street, Lincoln, Nebraska, 68521, U.S.A., hereinafter referred to as Assignor, have invented a certain new and useful DESIGN for an ELECTRICAL PLUG (hereinafter referred to as the DESIGN) for which an application for United States Letters Patent was filed on June 21, 2012, Serial No. 29/425,324; and

WHEREAS, Lester Electrical of Nebraska, Inc., a Nebraska corporation, whose post office address is 625 West A Street, Lincoln, Nebraska, 68522, U.S.A., hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to the same in the United States;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, I, Assignor, by these presents do sell, assign and transfer unto said Assignee, the entire right, title, and interest in and to said DESIGN and application throughout the United States of America, including any and all United States Letters Patent granted on any division, continuation, continuation-in-part and reissue of said application; and the entire right, title and interest in and to the said DESIGN throughout the world, including the right to apply for patents and inventor certificates in respect thereof and to claim priority pursuant to rights accorded Assignor under the terms of the Paris International Convention and all other available international conventions and treaties; and the entire right, title, and interest in and to said DESIGN and application throughout the United States of America and in and to any and all DESIGN Patents granted on any division, continuation, continuation-in-part and reissue of said application.

ALSO, Assignor hereby agrees to execute any documents that legally may be required in connection with the filing, prosecution and maintenance of said application or any other patent application(s) in the United States for said DESIGN, including additional documents that may be required to affirm the rights of Assignee in and to said DESIGN, all without further consideration. Assignor also agrees, without further consideration and at Assignee's expense, to identify and communicate to Assignee at Assignee's request documents and information concerning the DESIGN that are within Assignor's possession or control, and to provide further assurances and testimony on behalf of Assignee that lawfully may be required of Assignor in respect of the prosecution, maintenance and defense of any patent application or patent encompassed within the terms of this instrument. Assignor's obligations under this instrument shall extend to Assignor's heirs, executors, administrators and other legal representatives.

ALSO, Assignor hereby authorizes and requests the Commissioner for Patents to issue any and all DESIGN Patents referred to above to Assignee, as the Assignee of the entire right, title and interest in and to the same, for Assignee's sole use and behoof; and for the use and behoof of Assignee's legal representatives and successors, to the full end of the term for which such DESIGN Patents may be granted, as fully and entirely as the same would have been by

Assignor had this assignment and sale not been made.

ASSIGNOR authorizes Matt Catlett, Attorney at Law, to insert or complete any information in this document needed to effect its recordal in the U.S. Patent and Trademark Office.

## ASSIGNMENT

WHEREAS I, Gary L. Bouc, whose post office address is 7201 Beaver Hallow Circle, Lincoln, Nebraska, 68516, U.S.A., hereinafter referred to as Assignor, have invented a certain new and useful DESIGN for an ELECTRICAL PLUG (hereinafter referred to as the DESIGN) for which an application for United States Letters Patent was filed on June 21, 2012, Serial No. 29/425,324; and

WHEREAS, Lester Electrical of Nebraska, Inc., a Nebraska corporation, whose post office address is 625 West A Street, Lincoln, Nebraska, 68522, U.S.A., hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to the same in the United States;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, I, Assignor, by these presents do sell, assign and transfer unto said Assignee, the entire right, title, and interest in and to said DESIGN and application throughout the United States of America, including any and all United States Letters Patent granted on any division, continuation, continuation-in-part and reissue of said application; and the entire right, title and interest in and to the said DESIGN throughout the world, including the right to apply for patents and inventor certificates in respect thereof and to claim priority pursuant to rights accorded Assignor under the terms of the Paris International Convention and all other available international conventions and treaties; and the entire right, title, and interest in and to said DESIGN and application throughout the United States of America and in and to any and all DESIGN Patents granted on any division, continuation, continuation-in-part and reissue of said application.

ALSO, Assignor hereby agrees to execute any documents that legally may be required in connection with the filing, prosecution and maintenance of said application or any other patent application(s) in the United States for said DESIGN, including additional documents that may be required to affirm the rights of Assignee in and to said DESIGN, all without further consideration. Assignor also agrees, without further consideration and at Assignee's expense, to identify and communicate to Assignee at Assignee's request documents and information concerning the DESIGN that are within Assignor's possession or control, and to provide further assurances and testimony on behalf of Assignee that lawfully may be required of Assignor in respect of the prosecution, maintenance and defense of any patent application or patent encompassed within the terms of this instrument. Assignor's obligations under this instrument shall extend to Assignor's heirs, executors, administrators and other legal representatives.

ALSO, Assignor hereby authorizes and requests the Commissioner for Patents to issue any and all DESIGN Patents referred to above to Assignee, as the Assignee of the entire right, title and interest in and to the same, for Assignee's sole use and behoof; and for the use and behoof of Assignee's legal representatives and successors, to the full end of the term for which such DESIGN Patents may be granted, as fully and entirely as the same would have been by

Assignor had this assignment and sale not been made.

ASSIGNOR authorizes Matt Catlett, Attorney at Law, to insert or complete any information in this document needed to effect its recordal in the U.S. Patent and Trademark Office.
