ASSIGNMENT

The ASSIGNORS, STEPHEN MICHAEL ROBINSON, a New Zealand citizen, of 150 Featherston Street, Wellington 6011, New Zealand, have invented certain new and useful improvements in an invention which is fully described in an application for Letters Patent of the United States executed by them this day; and

The ASSIGNEE, ARMANIX-CRYVAL LIMITED, a New Zealand corporation having its principal office at 150 Featherston Street, Wellington 6011, New Zealand, wishes to acquire the entire right, title and interest in and to the invention and under Letters Patent which may be obtained for the invention.

For valuable and legally sufficient considerations, receipt of which are hereby acknowledged, the Assignors sell, assign and transfer to Assignee, its successors and assigns, the entire right, title and interest for the United States in and to the above-identified invention and application and for the full term of any Letters Patent of the United States that may issue for the invention.

The Assignors also sell, assign and transfer to Assignee the entire right, title and interest in and to the invention and application for Letters Patent and Letters Patent thereof in all countries foreign to the United States, including all rights under the International Convention. The Assignors further authorize Assignee to apply for Letters Patent in foreign countries in the name of Assignee, and to claim the priority of the filing date of the United States Application under the provisions of the International Convention.

The Assignors further agree, for themselves and their legal representatives, they will assist Assignee in the prosecution before the United States Patent Office and the Federal Courts of this application, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignee elects to make covering the invention. The Assignors vest in Assignee the exclusive title in and to all such other applications and Letters Patent. The Assignors will execute and deliver to Assignee any documents which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. The Assignors also authorize and request the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignee.
