**MEMORANDUM OF INTELLECTUAL PROPERTY ASSIGNMENT**

This MEMORANDUM OF INTELLECTUAL PROPERTY ASSIGNMENT (this "Memorandum"), dated as of the date stated hereunder, is entered into by and among:

Assignor:           **CHEW HWEE HONG (NRIC No.: S0096238D)**

resident at **1 Holt Road, #01-08, The Horizon, Singapore 249441**

Assignee:           **ECOSPEC GLOBAL TECHNOLOGY PTE. LTD (UEN: 200106643K)**

a company incorporated in **SINGAPORE** and having its registered office at  
**60 Admiralty Road West, Singapore 759956**

WHEREAS, the Assignor and Assignee entered into an Assignment Agreement dated February 9, 2012 (the "**Assignment Agreement**"), pursuant to which the Assignor has agreed to assign to the Assignee certain intellectual property rights;

NOW, THEREFORE, the Assignor and Assignee hereby confirm THAT for good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor hereby agrees and undertakes to Assignee that, to the extent not already assigned to the applicant or proprietor of each patent or patent application (as the case may be) comprised in Schedule 1 hereto (the "**Subject Patents**"), the Assignor hereby absolutely assigns, as of the December 31, 2011 (the "**Effective Date**"), with full guarantee, free from encumbrances, all of his right, title and interest and benefits in and to the Subject Patents, the inventions therein disclosed and improvements thereon and including without limitation all Intellectual Property Rights therein, all throughout the world and for the full duration of such rights (including any extensions, renewals, divisions, continuations, continuations-in-part, re-issues and revisions thereof, and any application claiming priority therefrom, national applications based thereon and provisional/non-provisional applications thereof), including:

- (a) in respect of any and each application in the Subject Patents:
  - (1) the right to claim priority from and to prosecute and obtain grant of patent; and
  - (2) the right to file divisional, continuation, continuation-in-part and reissue applications based thereon and to prosecute and obtain grant of patent on each and any such divisional, continuation, continuation-in-part and reissue application;
- (b) in respect of each and any invention disclosed in the Subject Patents, the right to file an application, claim priority from such application, and prosecute and obtain grant of patent or similar protection in or in respect of any country or territory in the world;
- (c) the right to extend to or register in or in respect of any country or territory in the world each and any of the Subject Patents, and each and any of the applications comprised in the Subject Patents or filed as aforesaid, and to extend to or register in, or in respect of, any country or territory in the world any patent or like protection granted on any of such applications;
- (d) the absolute entitlement to any patents granted pursuant to any of the applications comprised in the Subject Patents or filed as aforesaid; and
- (e) the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership, of any of the Subject Patents or any patents

granted on any of the applications in the Subject Patents or filed as aforesaid, whether occurring before, on or after the Effective Date of this Agreement.

Unless otherwise defined herein, capitalized terms shall have the meanings set forth in the Assignment Agreement, as the case may be.

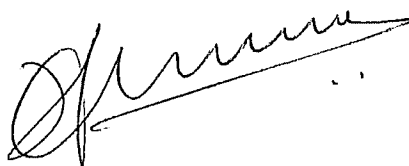

This Memorandum has been executed on this 7<sup>th</sup> day of June 2012.
