ASSIGNMENT

WHEREAS, Advanced Prosthetic Technologies, Inc., a corporation organized and existing under and by virtue of the laws of the State of New Jersey and having offices and doing business at 14 Michael Drive, Metuchen, NJ 08840 (hereinbelow called "Assignor"), being the owner of all right, title and interest in and to a certain invention in

MOTORIZED TOOTHBRUSH TIP HAVING INNER AND OUTER HEADS COUNTER ROTATING AROUND DIFFERENT AXES;

of which a U.S. patent application was filed on July 22, 2009, and assigned Serial No. 12/460,625.

WHEREAS, East Coast Medical & Dental Devices, Inc., a corporation organized and existing under and by virtue of the laws of the State of New York and having offices and doing business at 333 River Street, Apt. 439, Hoboken, NJ (hereinbelow called "Assignee"), is desirous of securing the entire right, title and interest in and to the said invention, application and Letters Patent, when granted, and in and to any divisions, continuations, improvements, reissues or extensions that may be made or granted thereon;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar (\$1.00) to Assignor in hand paid by the said Assignee, and other good and valuable consideration, the receipt of all of which is hereby acknowledged, the said Assignor, had sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to the said invention, application and Letters Patent, when granted, and in and to any divisions, continuations, improvements, reissues or extensions that may be made or granted on any of them together with all claims for damages by reason of past infringement of said Letters Patent with the right to sue for, and collect, the same for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives.

TO HAVE AND TO HOLD the same to the full end of the terms or terms for which said Letters Patent may be granted, as fully and completely as the same might be held by it had this sale and assignment not been made.

For the consideration aforesaid, Assignor hereby covenants and agrees to and with the said Assignee, its successors and assigns, that whenever its counsel or representative, or the counsel or representative of its successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with said application or invention, including interference proceedings, is lawful and desirable, or that a reissue or continuation or extension of said Letters Patent is lawful and desirable, Assignor will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue or continuation or extension of the same, and will do all acts necessary or required to secure to the said Assignee, its successors and assigns, the title to and full benefit of all rights hereby assigned, without charge to said Assignee or its successors or assigns, but at its or their expense;

AND the Commissioner of Patents is requested to issue the said Letters Patent, when granted, in accordance with the sale and assignment.

For the consideration aforesaid, Assignor has sold, assigned, transferred and set over and by these presents does sell, assign, transfer and set over unto the said Assignee, its successors and assigns, or the nominees of any of them, the entire right, title and interest in and to any and all Letters Patent for said invention which may be granted in countries foreign to the United States, and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said applications; and Assignor hereby authorizes and empowers said Assignee and its successors, assigns or nominees, to apply for Letters Patent or other for of protection on said invention in its own name or in the name of its successors, assigns or nominees, in any or all countries where it may desire to file such application, and where said application may be filed by another than the inventor; and Assignor hereby covenants and agrees to sign all papers and drawings, take all rightful affidavits, and do all acts necessary or required to be done for the procurement and maintenance of Letters Patent or other form of protection for said invention in countries foreign to the United States, and for further investing or confirming the right and title thereto in the Assignee, its successors, assigns or nominees, without charge to said Assignee, its successors, assigns or nominees, but at its or their expense.

Assignor declares further that all statements made herein of its own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
