confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest in the U.S. -

1) in and to an invention entitled "BALL SCREW ASSEMBLY WITH ONE PIECE DEFLECTING ELEMENTS" (Atty. File No. 2011P00004US), for which we filed United States Patent Application No. 13/448,891 on April 17, 2012 (hereinafter the "U.S. utility patent application");

(2) in and to the U.S. utility patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue

applications) based upon said invention, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

We hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number of our application after execution of this Assignment. And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.

Declaration for Utility or Design Patent Application (37 CFR 1.63)
and Power of Attorney

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "BALL SCREW ASSEMBLY WITH ONE PIECE DEFLECTING ELEMENTS" (Attorney Docket No. 2011P00004US), the specification of which was filed with my authority on April 17, 2012 as U.S. Patent Application No. 13/448,891

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

As a named inventor, I hereby appoint the registered practitioners associated with the customer number identified below as my attorneys or agents to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith; and request that the Office direct all communications in or pertaining to this application to:
