The Assignee, MedicineLodge, Inc. dba IMDS Co-Innovation and its affiliated companies, having a principal place of business at 124 South 600 West, Logan Utah, desires to secure its rights, title, and interest in said inventions in accordance with the ownership provisions set forth between me and MedicineLodge, Inc. dba IMDS in that certain Joint Development Agreement effective December 7, 2010, and that certain Statement of Work #1 effective December 1, 2010, and any amendments pertaining thereto (the "Agreements").

In consideration of value paid or granted to me by the Assignee pursuant to the Agreements with the Assignee, the receipt and sufficiency of which are hereby acknowledged,

EFFECTIVE FEBRUARY 14, 2011, I HEREBY ASSIGN TO THE ASSIGNEE:

the apportioned right, title, and interest as set forth in the Agreements in said inventions and in the above-identified patent applications and in all provisionals, non-provisional, divisions, continuations and continuations-in-part of said applications, or reissues or extensions of letters patent or patents granted thereon, in all corresponding applications filed under the Patent Cooperation Treaty ("PCT"), and in all corresponding applications filed in any countries, territories, or jurisdictions worldwide, and in all patents issuing thereon in the United States and in any countries, territories, and jurisdictions worldwide; and

the right to file PCT or foreign patent applications on said inventions in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in all countries, territories, and jurisdictions worldwide as are duly authorized by their patent laws to issue patents, to issue any and all patents on said inventions to the Assignee and me, together, as the owners of all rights, title, and interests in and to said inventions, for the sole use and benefit of Assignee and me, our successors, assigns and legal representatives.

I hereby authorize and request such Patent Office officials affiliated with the International Bureau of WIPO and duly authorized under the PCT to prosecute any PCT application on said inventions for the benefit of the Assignee and me as the owners of all rights, title, and interests in and to said inventions, for the sole use and benefit of Assignee and me, our successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this assignment fully effective, including, by way of example, and not limitation, the following:

- prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said inventions, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications; and

- cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon each of my individual heirs and legal representatives.
