Docket No.

ASSIGNMENT

WHEREAS, I, Samuel Ryan Rees of 9 Greystones Hall Road, Sheffield S11 7BA, England, Great Britain have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled MITRE SAW;

AND WHEREAS, Evolution Power Tools Limited, a corporation of the United Kingdom, and having a place of business at Venture One, Longacre Close, Holbrook Industrial Estate, Sheffield S20 3FR, England, Great Britain, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto Evolution Power Tools Limited, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuation-in-part, re-examined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

I hereby authorize and request King and Schickli PLLC of 247 North Broadway, Lexington, Kentucky 40507 to insert here in parenthesis (Application Serial No. 29/426,728, filed 10-July-2012) the serial number and filing date of this application when known.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Evolution Power Tools Limited, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.

Samuel Ryan Rees
