ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged,

Lukasz Cwik, whose full post office address is 155 Aloha Street, Apt 203, Seattle, WA, 98109, USA; and Dominik Papinski, whose full post office address is 111 Iron Gate Street, Kitchener, ON N2N 3R6, Canada (hereinafter the "Assignors"),

have sold, assigned and transferred and do hereby sell, assign and transfer to Sean T. Doherty (hereinafter the "Assignee"), whose full post office address is 415 Woodrow Dr., Waterloo, Ontario, Canada, N2T 2V7, effective January 16, 2012, all Assignors' rights, title and interest throughout the world in and to:

(1) all invention(s) relating to "Method, System and Computer Program for Detecting and Monitoring Human Activity Utilizing Location Data", as described and/or claimed in United States Patent Application No. 11/556,365 having an official filing date of November 3, 2006; all improvements, including but not limited to modifications, additions, substitutions, derivatives, and deletions to said invention(s); the above-identified application in (1) and all International (PCT) applications and national phase applications claiming priority thereto; all other applications for Letters Patent in any country throughout the world for said invention(s) and improvements, including but not limited to all divisional, continuation, continuation-in-part, renewal, reissue, extension, foreign equivalent, and substitute applications; any Letters Patent which may issue from any of said applications in any country throughout the world; all Convention and/or Treaty rights derived from any of said applications, including without limitation, all rights of priority throughout the world in and to said applications; and the full and complete right to file applications for Letters Patent in the name of the Assignee or in Assignors' name at the Assignee's sole election, on said invention(s) and improvements in all countries throughout the world;

(2) any and all software programs, source codes, derivative works, revisions, updates, upgrades, modifications, compilations, improvements, translations, abridgments, condensations, expansions and the like relating to the rights granted herein;

(3) all present and future copyright (whether or not registered) in any works for which they are the authors arising in and to all subject matter granted herein, including software (collectively the "Works"); the right to seek copyright registration for any Works granted herein; all extensions and renewals of any copyright in the Works; and Assignors hereby irrevocably waive any and all of Assignors' moral rights in and to the Works for all purposes;

(4) any and all know-how and trade secrets relating to the rights granted herein; and

(5) any and all causes of action (either in law or in equity), all claims for damages, and the right to sue, counterclaim, and recover for past, present and future infringement or other unauthorized use of any of the rights assigned herein, as fully and entirely as the same would have been held and enjoyed by the Assignors if assignment had not been made.

In addition, Assignors will, at the request of the Assignee, do all such lawful acts and things and to execute without further consideration such further assignments, documents, assurances, applications, and other instruments as may reasonably be required by Assignee, its successors, assigns or legal representatives, to obtain the rights granted herein, including any and all Letters Patent worldwide, for said assigned rights and vest the same in Assignee, its successors, and assigns.

For said consideration, Assignors agree, upon the request and at the expense of the Assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part, reissue and substitute applications for said invention(s) and improvements, and acknowledge and agree that all rights therein shall vest in the Assignee, its successors and assigns, whereby said Letters Patent, inventions and all other rights described herein will be held and enjoyed by said Assignee, its successors and assigns, to the full

end of the term for which said rights will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned had this assignment not been made.

The undersigned hereby grant to the firm of **Gardiner Roberts LLP** whose full post office address is Scotia Plaza, 40 King Street West, Suite 3100, Toronto, Ontario M5H 3Y2, the power to insert on this assignment any further information and/or correct any clerical error, which may be necessary or desirable in order to comply with applicable patent law for recordation of this document.
