ASSIGNMENT

Whereas I, Kouros Sh Soroushian, residing at 3758 Brookshire Street, San Diego, CA 92111, made certain new and useful inventions and improvements for which an application for Letters Patent of the United States entitled:

**SYSTEMS, METHODS, AND MEDIA FOR SYNCHRONIZING
AND MERGING SUBTITLES AND MEDIA CONTENT**

was filed June 29, 2012 and having been assigned Application No. 13/141,970; and

WHEREAS, DIVX, LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 2830 De La Cruz Boulevard, Santa Clara, California 95050 (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions, improvements and application, in and to said United States patent application, and in and to any Letters Patent which may issue thereon;

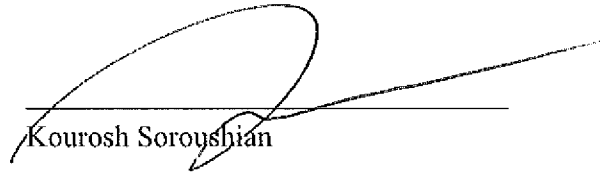

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to me paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby sell, assign and transfer unto the said Assignee, its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations in part, and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations, continuations in part, and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said Assignee as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.
