ASSIGNMENT

In accordance with my obligations under an employment agreement or (as applicable) arising out of other agreements with Illinois Tool Works Inc., its subsidiaries, successors, or assigns, and/or for other good and valuable consideration of which I acknowledge receipt, I,

**Robert W. Bixen        of        Dorsey, Illinois, U.S.A.,**

hereby sell and assign to **Illinois Tool Works Inc., a Delaware Corporation**, having an address at 3600 West Lake Avenue, Glenview, Illinois 60026, hereinafter referred to as "Company", its successors and assigns, my entire respective right, title, and interest in and to the invention and improvements invented and originated by me and described in the patent application for United States Patent currently entitled:

**LABEL APPLICATOR INCLUDING A PLURALITY OF AIR FLOW GENERATORS**

which has Attorney Docket No. 61558 (500-2025), and any and all applications for patent and patents therefrom in any and all countries, including all divisions, continuations, continuations-in-part, PCT applications, reexaminations and reissues thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patent on said inventions and improvements resulting therefrom to said Company, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Company, I will communicate to said Company or its representatives or nominees any facts known to me respecting said inventions and improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, PCT applications, reexamination and reissue applications, make all rightful oaths and generally do everything possible to aid said Company, its successors, assigns, and nominees to obtain and enforce proper patent protection for said invention and its improvements in all countries.
