Re: Recordal of Merger and Reorganization Document

Dear Sirs:

Attached is a Recordation Form Cover Sheet for a Merger and Reorganization document affecting title to 44 patent applications and 336 patents. To assist you with recordal of this transfer of ownership, we offer the following explanation. On August 12, 1999, Raychem Corporation was merged into Tyco International (PA), Inc. (a wholly owned subsidiary of Tyco International Ltd.), which then transferred the assets of Raychem Corporation to AMP Incorporated (a wholly owned subsidiary of Tyco International (PA), Inc.). Therefore, the final receiving party in this transaction is AMP Incorporated (a corporation of Pennsylvania).

On September 13, 1999, the name of AMP Incorporated was changed to Tyco Electronics Corporation. A separate Recordation Form Cover Sheet for the Change of Name document is being submitted simultaneously herewith, and recordal of that document should be made after the attached Merger and Reorganization document has been recorded.

Respectfully submitted,

A handwritten signature in cursive script that reads "Marguerite E. Gerstner".
