ASSIGNMENT

WHEREAS, WE, **Ronny W. Lin** and **Lorenz J. Bauer** have invented certain new and useful processes, methods, devices, and/or systems for which a United States Patent application entitled "**Process for Producing Biofuel Using a Pre-treated Deoxygenated Stream**" is filed herewith ("Application"); and

WHEREAS, **KiOR, INC.**, a corporation of Delaware, having its principal place of business located at 13001 Bay Park Road, Pasadena, Texas 77507, is desirous of acquiring the entire right, title and interest in and to Application and all inventions set forth therein and to all patent applications directed to such inventions throughout the world, and all right, title and interest in, to and under any and all patents granted thereon and other forms of legal protection thereto in the United States and throughout the world;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration, the receipt of which is hereby acknowledged, we hereby sell, assign, transfer and set over to **KiOR, INC.**, all right, title and interest in and to the said invention throughout the world, including said Application for U.S. Patent, and any and all divisions, continuations, reexaminations and reissues thereof, and any and all applications filed outside of the U.S. which claim priority to Application as well as all patents of the United States and foreign countries which may be granted therefrom including any reissues, divisionals, continuations, renewals and extensions and the like (collectively, the "Patents"), the same to be held and enjoyed by **KiOR, INC.** for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Patents of the United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

And we hereby authorize and request the Commissioner of Patents and other authorities in foreign countries to issue any and all patents on said invention or resulting from said Application and from any and all divisionals, continuations, reissues, reexaminations, renewals, and extensions thereof, to **KiOR, INC.**, as assignee of our entire interest, and hereby covenant that we have the full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith.

And we further hereby covenant and agree that we will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention and to such patents as may be granted therefor, to **KiOR, INC.**, its successors, assigns, or other legal representatives and that if **KiOR, INC.**, its successors, assigns or other legal representatives shall desire to file any divisional or continuation, or to secure a reissue, or reexamination of such patents, or to file a disclaimer relating thereto, will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation applications, or such application for reissue or reexamination and the procuring

thereof, and for the filing of such disclaimer, without further compensation but at the expense of said assignee, its successors, or other legal representatives.

And we do further covenant and agree that we will, at any time upon request, communicate to **KIOR, INC.**, its successors, assigns or other legal representatives, such facts relating to said invention and patents or the file history thereof as may be known to me, and testify as to the same in any interference or other litigation when requested so to do, without further compensation but at the expense of said assignee, its successors, or other legal representatives.

EXECUTED THIS 11 day of July, 2012.
