ASSIGNMENT

David A. Castleman (Assignor), residing in the State of California U.S.A., for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as sole inventor, hereby sells, assigns and transfers unto Honeywell International Inc. (Assignee), a Delaware Corporation, located at 101 Columbia Road, Morristown, New Jersey 07962 U.S.A., its successors and assigns, Assignor's entire right, title and interest in and to the Patents listed on the attached schedule (Schedule), and any and all foreign or international counterparts, reissues, reexaminations, continuations, divisionals, and extensions thereof, the same to be held and enjoyed by Honeywell International Inc. to the full end of the respective term for which each of said Patents has been granted, as fully and entirely as the same could have been held and enjoyed by David A. Castleman, if this sale, assignment and transfer had not been made, together with all income, royalties, damages or payments due or payable as of the Effective Date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patents listed on the attached Schedule, with the right to sue for, and collect monetary damages or obtain injunctive relief for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor authorizes and requests the U.S. Commissioner of Patents and Trademarks to record Assignee as owner of the Patents listed on the attached

Schedule, including any foreign or international counterparts, continuations, divisionals, reissues, reexaminations, and extensions thereof.
